الْقَالَ كَمَا

وَجَزَاءُ سَيِّئَةٍ سَيِّئَةٌ مِّثْلُهَا فَمَنْ عَفَا
وَأَصْدَحَ فَأَجْرُهُ عَلَى اللَّهِ إِنَّهُ لَا يُحِبُّ
الظَّالِمِينَ ﴿٤١﴾

And the recompense of an injury is an injury the like thereof; but whoso forgives and his act brings about reformation, his reward is with Allah. Surely, He loves not the wrongdoers. { 42:41 }

Sayings of the Holy Prophet (SAW)

It has also been narrated by Sa'd b. Abu Burda through his father through his grandfather that the Prophet of Allah (may peace be upon him) sent him and Mu'adh (on a mission) to the Yemen, and said (by way of advising them) : Show leniency (to the people); don't be hard upon them; give them glad tidings (of Divine favours in this world and the Hereafter); and do not create aversion. Work in collaboration and don't be divided. { Muslim: 4298 }

Hazrat Mirza Ghulam Ahmad Qadiani عليه السلام

The Promised Messiah

***T**he principle to which we adhere is that we have kindness at heart for the whole of mankind. If anyone sees the house of a Hindu neighbour on fire and does not come forward to help extinguish the fire, most truly I declare that he does not belong to me. If anyone of my followers, having seen someone attempting to murder a Christian does not endeavour to save him, I most truly declare that he does not belong to us.*

In relation to the Russia-Ukraine crisis, the World Head of the Ahmadiyya Muslim Community, the Fifth Caliph, His Holiness, Hazrat Mirza Masroor Ahmad has said:

*“F*or many years, I have warned the major powers of the world that they must heed the lessons from history, particularly in relation to the two catastrophic and devastating world wars that took place in the 20th Century. In this regard, in the past, I have written letters to the leaders of various nations urging them to set aside their national and vested interests in order to prioritise the peace and security of the world by adopting true justice at all levels of society. Most regrettably, now a war in Ukraine has started and so the situation has become extremely grave and precarious. Furthermore, it has the potential to escalate even further depending on the next steps of the Russian government and the response of NATO and the major powers. Unquestionably, the consequences of any escalation will be horrific and destructive in the extreme. And so, it is the critical need of the hour that every possible effort is made to avoid further warfare and violence. There is still time for the world to step back from the brink of disaster and so, for the sake of humanity, I urge Russia, NATO and all major powers to concentrate all their efforts on seeking to de-escalate the conflict and working towards a peaceful solution through diplomacy.

“May Allah the Almighty save humanity from the state of war that has erupted because if the situation worsens then the horrific consequences will be such that mankind cannot even imagine.” – Hazrat Mirza Masroor Ahmad

Hazrat Mirza Masroor Ahmad said:

“The current world situation has become extremely precarious and there is a real danger the crisis (between Russia and Ukraine) can escalate and spread much further afield. Certainly, the situation is not just limited to one country, rather, many countries will be engulfed if the conflict continues to deteriorate. Its impact will be catastrophic and its horrendous consequences will continue to reverberate and impact upon generations to come. Thus, I pray that may Allah enable mankind to recognise God Almighty and may they stop toying with the lives of innocent people simply to fulfil their own worldly interests.”

His Holiness made the comments during his Friday Sermon on 25 February 2022 delivered at the Mubarak Mosque in Islamabad, Tilford, UK.

Appeal for Prayers With the Threat of Nuclear Warfare

***H**is Holiness(aba) appealed for prayers in light of the prevailing situation in the world and the worsening conditions of war. Now there are even threats of nuclear warfare, which will have catastrophic consequences and impact future generations, as His Holiness(aba) has been warned before. It is only God who can grant these people some sense.*

His Holiness(aba) said that in these days there should be an increased focus on reciting Durood Sharif (salutations upon the Holy Prophet(sa)) and Istighfar (seeking forgiveness). His Holiness(aba) prayed that may Allah forgive us our faults, and grant understanding to world leaders.

His Holiness(aba) said that on a certain occasion, the Promised Messiah(as) advised the Community to repeatedly recite the following prayer:

‘Our Lord, grant us good in this world as well as good in the world to come, and protect us from the torment of the Fire.’ (The Holy Qur’an 2:202)
