يَا أَيُّهَا الَّذِينَ آمَنُوا لَا يَحِلُّ لَكُمْ أَنْ تَرِثُوا النِّسَاءَ كَرِهًا ۖ وَلَا تَعْضُلُوهُنَّ  
لِتَذْهَبُوا بِبَعْضِ مَا آتَيْتُمُوهُنَّ إِلَّا أَنْ يَأْتِيَنَّ بِفَاحِشَةٍ مُّبِينَةٍ ۗ  
وَعَاشِرُوهُنَّ بِالْمَعْرُوفِ ۗ فَإِنْ كَرِهْتُمُوهُنَّ فَعَسَى أَنْ تَكْرَهُوا شَيْئًا  
وَيَجْعَلَ اللَّهُ فِيهِ خَيْرًا كَثِيرًا ﴿٢٠﴾

*O ye who believe! it is not lawful for you to inherit women against their will; nor should you detain them wrongfully that you may take away part of that which you have given them, except that they be guilty of a flagrant evil; and consort with them in kindness; and if you dislike them, it may be that you dislike a thing wherein Allah has placed much good [4:20]*

## Head of Ahmadiyya Muslim Community Addresses Ladies Session at Jalsa Salana Germany 2023

“It is incumbent upon women to partake in the propagation of faith” – Hazrat Mirza Masroor Ahmad

On 2 September 2023, the World Head of the Ahmadiyya Muslim Community, the Fifth Khalifa (Caliph), His Holiness, Hazrat Mirza Masroor Ahmad, addressed the women’s side of the Jalsa Salana Germany and spoke about the role and rights of women in Islam.

Throughout the address, Hazrat Mirza Masroor Ahmad narrated faith-inspiring sacrifices made by exemplary and pious Muslim women of the past as well as their extraordinary forbearance in upholding their faith in the face of extreme persecution. His Holiness explained that these examples serve as a reminder for men and women to increase in their faith.

**Hazrat Mirza Masroor Ahmad stated:**

“Those Muslim ladies (during the period of early Islam) strived to portray the true image of Islam at every juncture of their lives, whether it pertained to obedience to Allah the Almighty, elevated levels of worship, domestic and societal responsibilities, educative responsibilities of children, physical and financial sacrifices, or opportunities of displaying courage and bravery for the sake of Islam. Thus, these women laid an exemplary foundation at every opportunity and step of their lives.”

Advising that Ahmadi Muslim women should serve that cause of Islam to their best of abilities, Hazrat Mirza Masroor Ahmad said:

**“Instead of merely repeating the oath that we will give precedence to our faith over the world, each and every one of us should assess whether we are truly adhering to this oath not.”**

**Hazrat Mirza Masroor Ahmad stated:**

**“By no means does Islam command women to stay locked behind closed doors nor did Muslim women do so at the very onset of Islam, rather they would come to listen to the sermons of the Holy Prophet Muhammad (peace and blessings be upon him). They would partake in battles, treat the wounded, embark on expeditions, mount and ride (horses and camels), seek knowledge from men and then teach others too.”**

# Respect for all religions

## Head of Ahmadiyya Muslim Community outlines Islamic principles of peace and urges respect for all religions

“Islam does not permit Muslims to propagate their faith coercively through the abhorrent and destructive power of swords, bombs or guns but instead calls on them to use reason, evidence and love to win the hearts and minds of mankind.” – Hazrat Mirza Masroor Ahmad

On 2 September 2023, the World Head of the Ahmadiyya Muslim Community, the Fifth Khalifa (Caliph), His Holiness, Hazrat Mirza Masroor Ahmad addressed an audience of more than 880 dignitaries and guests on the second day of the 47th Annual Convention (Jalsa Salana) of the Ahmadiyya Muslim Community in Germany.

**Hazrat Mirza Masroor Ahmad presented chapter 10, verse 100 of the Holy Quran which states:**

*“And if thy Lord had enforced His will, surely, all who are on the earth would have believed together. Wilt thou, then, force men to become believers?”*

**Hazrat Mirza Masroor Ahmad explained the correct method of propagating Islam and stated:**

*“Islam does not permit Muslims to propagate their faith coercively through the abhorrent and destructive power of swords, bombs or guns but instead calls on them to use reason, evidence and love to win the hearts and minds of mankind.”*

**Hazrat Mirza Masroor Ahmad presented chapter 10, verse 100 of the Holy Quran which states:**

*“Let not a people’s enmity incite you to act otherwise than with justice... Be always just, that is nearer to righteousness.”*

**Hazrat Mirza Masroor Ahmad responded to this and stated:**

“Only in Islam do we find such an unequivocal and peerless principle of absolute justice and it is a cause of great regret that even modern-day Muslim governments are failing to govern according to this Islamic standard.”

“Allah the Almighty has given us, as Ahmadi Muslims, the duty to keep the flag of Islam Ahmadiyyat aloft until there remains life on earth. He has bestowed upon us the solemn duty and challenge to save mankind and to relentlessly strive towards that day when Islam’s message of love and peace penetrates the hearts of all mankind.” – Hazrat Mirza Masroor Ahmad addresses over 6,900 Ahmadi Muslim youth from across the UK. “Hazrat Musleh Maud (ra) began by stating it was a natural course of life that people come and go from this world. Every human is born, lives their life and leaves this world. At the same time, Hazrat Musleh Maud (ra) explained that communities and nations have the potential to live on and thrive in perpetuity.

*Some communities exist for decades or even centuries. In terms of the Ahmadiyya Muslim Community, he said that Ahmadi Muslims youth must sincerely vow to fulfil their obligations to ensure our Community’s preservation and everlasting success. This requires generation upon generation of Ahmadi Muslims to act upon the true teachings of the Ahmadiyya Muslim Community and to strive to convey its message to all parts of the world.”*

إِلَّا بِإِذْنِ اللَّهِ

**“His Holiness (aba) said that generally, it is alleged that Islam does not grant freedom to women. However this allegation is raised only due to a lack of knowledge, or simply for the sake of levelling an allegation. Islam teaches that if a peaceful society is sought, then everyone’s rights must be given and everyone must play their role and duty. Islam does not merely tell women to obtain their rights, but also teaches them to understand their rank and to abstain from evil.**

Friday Sermon

January 13, 2017

**T**oday's Friday sermon was delivered by Khalifatul Masih V (may Allah be his Helper) from Baitul Futuh mosque, London. After Tashahhud and Surah Fatihah he said some people think that the religion and faith deprive them from freedom and put sanctions on them. In this regard God Almighty says in the Holy Qur'an "and has laid no hardship upon you in religion" (22:79). Huzoor (may Allah be his Helper) said that this means that the religion did not put any hardship on you. Rather the purpose of Shariah is to reduce the burden and not only that it wants to save mankind from all kinds of hardships and calamities. Thus in this verse God Almighty clarified that the religion which is chosen for you Huzoor (may Allah be his Helper) said which means the religion of Islam which is decent for you there is no such commandment in it which should create hardship. Rather from the smallest to the largest all commandments bring mercy and blessings for you. Huzoor (may Allah be his Helper) said that it is the thinking of mankind which is wrong, God's words cannot be wrong. Despite of being His creature if we do not act upon His commandments then we will harm ourselves. If mankind will not heed then the Satan who has taken oath from day one that he will mislead mankind will ditch the mankind in the pit of destruction. Thus if we want to save ourselves from Satan's assaults then we have to obey all of God Almighty's commandments.

**“Huzoor (may Allah be his Helper) said that the evil we see in the society these days every word of Promised Messiah (peace be on him) is showing the picture if it. Thus every girl, boy, man, and woman should increase their level of modesty and save themselves from the evils of the society instead of raising the questions that why we cannot wear tight jeans and blouse or feeling inferiority complex. It is the responsibility of parents especially mothers that they should teach the Islamic traditions and values and inform them about the evils of the society in their childhood. Only then our children will become good and will be saved from the evils of the society. In these countries parents have to do Jihad and for that they have to show their examples.”**

# Muhammad the Liberator of Women

by *Hazrat Mirza Bashir-ud-Din Mahmud Ahmad,  
Khalifatul Masih II (ra)*

*Throughout history, women have been powerless and weak. Before the Holy Prophet Muhammad's arrival, a woman was regarded as man's slave and property, and no religion or nation could offer the woman rights and freedom. When their husbands died, they were forced to marry relatives or sold for money. There was no law that could protect them.*

*Prophet Muhammad proclaimed in the name of God that men and women are equal. He declared that a man does not own his wife. He may not sell or force her into slavery. The teaching of the Holy Prophet raised the status of women as being not only equal to men, but also gave them freedom for social, physical and spiritual development.*

*This book is about women's rights and freedom in Islam and shows that Holy Prophet Muhammad was indeed the liberator of women.*
