**“If we have a strong relationship with Allah, we shall never elevate worldly people to the status of gods.”**

**– Hazrat Mirza Masroor Ahmad**

As His Holiness began the address, he spoke of the opposition faced by the Promised Messiah, Hazrat Mirza Ghulam Ahmad (peace be upon him), the Founder of the Ahmadiyya Muslim Community.

**Hazrat Mirza Masroor Ahmad said:**

***“The opponents (of the Ahmadiyya Muslim Community) are so blinded that even though they acknowledge the necessity of the time for a reformer, they are not willing to accept Hazrat Mirza Ghulam Ahmad (peace be upon him) as the Promised Messiah and Mahdi. They are ready to believe in the return of the prophet of the Israelites and accept him as the Promised Messiah, but they are not willing to accept the one who, according to the prophecy of the Holy Prophet Muhammad (peace and blessings be upon him) and the Promise of Allah, has come in the servitude of the Holy Prophet (peace and blessings be upon him) to renew the faith.”***

# Head of Ahmadiyya Muslim Community Delivers Inspiring Address at 45th Lajna Imaillah UK Ijtema

PRESS RELEASE || October 1, 2024

On 28 September 2024, the World Head of the Ahmadiyya Muslim Community, the Fifth Khalifa (Caliph), His Holiness Hazrat Mirza Masroor Ahmad delivered a faith inspiring address at the 45th National Ijtema (Annual Gathering) of Lajna Imaillah UK, the ladies' auxiliary organisation of the Ahmadiyya Muslim Community.

## Women play pivotal and foundational role in society – Head of Ahmadiyya Muslim Community

“Let there be no doubt that when Allah’s blessings descend upon a person, it is akin to that pure rain that pours abundantly from the heavens, revitalising even the driest and most barren of land into a vibrant tapestry of lush green.”

— **Hazrat Mirza Masroor Ahmad**

Explaining how women in particular have been exploited in this pursuit of materialism, Hazrat Mirza Masroor Ahmad highlighted the example of the actions of states and their intelligence agencies.

Hazrat Mirza Masroor Ahmad said:

**“Money, power, and the pursuit of wealth have become the gods of this era, and to secure these false idols, worldly people have long exploited women in deceitful and degrading ways, reducing them to mere pawns for achieving their material objectives. For instance, intelligence agencies have a history of exploiting women, using them as bait to lure men into compromising situations. These debased tactics are used to extract state secrets, classified information and to forge secret deals through coercion.”**

Hazrat Mirza Masroor Ahmad said:

**“Always remember that our mission is to create a pure and righteous society that will be a means of peace and security for the world and filled with love and compassion.”**

# Head of Ahmadiyya Muslim Community Concludes Majlis Khuddamul Ahmadiyya Ijtema with Faith-Inspiring Address

PRESS RELEASE || September 26, 2024

On 22 September 2024, the World Head of the Ahmadiyya Muslim Community, the Fifth Khalifa (Caliph), His Holiness Hazrat Mirza Masroor Ahmad delivered a faith-inspiring address to conclude the National Ijtema (Annual Gathering) of Majlis Khuddamul Ahmadiyya UK, the auxiliary organisation of the Ahmadiyya Muslim Community for young men and boys.

**His Holiness condemns spread of ‘rampant misinformation’ in society and urges Muslim youth to navigate social media with caution**

**“Falsehood is a poison that seeps into the heart of mankind and tears apart bonds of trust and unity in society”  
– Hazrat Mirza Masroor Ahmad**

Commencing his address, His Holiness mentioned the importance of seeking to fulfil the objectives of Majlis Khuddamul Ahmadiyya which was founded in 1938 by the second Khalifa of the Ahmadiyya Muslim Community *“with the aspiration that all Ahmadi youth and boys would excel in the observance of their faith, consistently improve their moral standards, elevate their worship of Allah and forge an ever-stronger connection with Him.”*

Speaking of the challenges facing Ahmadi Muslim youth, Hazrat Mirza Masroor Ahmad said:

*“In this age, we are not only witnessing a rapid decline in the worship of God and a growing apathy towards religion but also a chilling indifference to the suffering of God’s Creation. Where help is extended to those in need, it is often driven by ulterior motives and a desire to fulfil vested interests under the guise of humanity. Help is often conditional and compassion is a commodity bartered for political and economic gain. As a result, an ever-rising chorus of voices are now openly denouncing the major powers and worldly institutions to be guilty of glaring double standards.”*

HAZRAT MIRZA MASROOR  
AHMAD KHALIFATUL MASIH V بِنَصْرِهِ الْعَزِيزِ

*“The best way to attain the love of Allah the Almighty is to serve His Creation. As long as a person is not grateful to mankind, he cannot be grateful to Allah the Almighty. Hence, you should serve humanity selflessly, purely for the sake of attaining the pleasure of Allah the Almighty.*”

” (Hazrat Mirza Masroor Ahmad, National Waqf-e-Nau Ijtema UK 2019)

# The Essence of Waqfe Nau

Friday Sermon  
October 28, 2016

After Tashahud and Surah Fatiha, Huzoor said:

*By grace of Allah, the trend to dedicate children in the Jama'at is rising. I receive letters from parents daily. On certain days, the count reaches twenty to twenty-five. In them, the parents request their yet to be born children to be included in Waqfe Nau. When Hazrat Khalifatul Masih IV (may Allah have mercy on him) started this movement, it was not permanent, but later, he made it permanent. And Jama'at, especially mothers in every country, said, "Here we are!" Twelve or thirteen years ago, due to Jama'at's attention to this, the number of Waqfeene Nau was over 28 thousand. By grace of Allah this number has now neared 61 thousand. Out of this, the boys are over 36 thousand and the rest are girls. So, with the passage of time, the trend that they have to dedicate their children before birth, is on the rise.*

***H**owever, the responsibilities of the parents do not end with presenting their children for Waqf before their birth. They rather become more than before. No doubt, the training of every Ahmadi child depends on parents and parents want good for their child. The parents who are inclined toward religion, want his secular education, training and religious education as well. But this should be remembered that every child, especially Waqfe Nau child is a trust of the Jama'at with them. His training and making him the best part of the Jama'at and the society, is the duty of the parents. But, the training of the Waqfe Nau children, their secular and religious education with special attention and handing them over to the Jama'at after preparing them, becomes a responsibility for another reason as well. That, before birth, the parents pledge that whatever will be born, boy or a girl, they will present it for Allah's religion, for the completion of the mission of the true servant of the Holy Prophet (May peace be on him) which is the mission of the completion of the propagation of the guidance, which is the mission of spreading the Islamic education in the world, which is the mission of drawing the attention of the world toward fulfilling the right of God and which is the mission of spreading the Islamic education of fulfilling the mutual rights of every person in the world.*
